## Release and Hold Harmless Agreement and Waiver of Liability

I, the undersigned guardian, allow \_\_\_\_\_ to participate in Summer in the Son day camp activities from June 3 - August 6, 2021, at *St. John's Lutheran Church of Orange* all of which are hereinafter referred to as the "activity".

I consent permission for participation in the activity and acknowledge that I fully understand the participation may involve risk of serious injury or death, including losses which may result not only from the participant's actions, inactions or negligence, but also from the actions, inactions, or negligence of others, the condition of the facilities, equipment, or areas where the event or activity is being conducted, and/or the rules of play of this type of event or activity. I am aware that participation in the activity may require the participant to be transported by busses to and from campus and the expectation is to abide by the policies and procedures of the contracted transportation company. I understand that if I have any concerns about risk, I should discuss the risks associated with participation with the activity coordinators and event staff, before I sign this document and before the activity begins. If volunteers, adult leaders or parents drive their own vehicles, I am aware if they have an accident that my personal insurance will be the "primary" insurance and that St. John's Lutheran Church of Orange will be the secondary insurance. In addition, St. John's Lutheran Church of Orange will not be held responsible for physical damage that occurs while using personal vehicles for the activity. I understand this activity is not required for the participant and I assume all reasonable risk for the participant attending an activity that may occur off-campus.

I certify that the participant is in good health and has no physical condition that would prevent participation in this activity. Furthermore, I agree to use my personal medical insurance as a primary medical coverage payment if accident or injury occurs to the participant. I consent to emergency medical treatment in the event such care is required. I am aware that upon being injured, the participant may solicit the assistance from St. John's staff and youth ministry team and if he/she chooses to do so, I assume all reasonable risk.

I agree that photographs, pictures, slides, movies, video, or other media coverage of the participant may be taken in connection with participation in the activity without compensation from St. John's Lutheran Church of Orange, its officers, employees, representatives, volunteers or agents, or any of them, and I consent to the use of photographs, pictures, slides, movies, videos, or other media coverage for any legal purpose.

Knowing and understanding the risks involved with participation in the activity, I hereby voluntarily and willingly assume responsibility for all risks and dangers for the participant in the activity. I agree I am financially responsible for any losses resulting from the participant's actions and will indemnify St. John's Lutheran Church of Orange, its officers, employees, representatives, volunteers and agents, and each of them, for any loss or damage caused by the participant during this activity.

In consideration of participation in the activity, I hereby waive all claims or causes of action against St. John's Lutheran Church of Orange, its officers, employees, representatives, volunteers and agents, and all of them, arising out of participation in the activity and hereby release, hold harmless, and discharge St. John's Lutheran Church of Orange, its officers, employees, representatives, volunteers and agents, and each of them, from all liability in connection therewith except such loss or damage which was caused by the willful misconduct of St. John's Lutheran Church of Orange, its officers, employees, representatives, volunteers or agents. This waiver and release is freely and voluntarily given with the understanding that right to legal recourse against St. John's Lutheran Church of Orange, its officers, employees, representatives, volunteers or agents, or any of them, is knowingly given up in return for allowing the participant to participate in the activity. My signature on this document is intended to bind not only myself and the participant, but also my successors, heirs, representatives, administrators, and assigns.
